TEST OUR METAL

Imagine yourself beside a sparkling stream in the mountains ...
...and then imagine yourself driving through it!

Steer your own course in this exciting adventure safari. During a half day's 4WD adventuring, you will experience offroading and technical 4WD obstacles. Conquer challenging terrain under the expert guidance of a trained 4WD instructor.

THE 4WD EXPERIENCE INCLUDES:-

- Information and guidance on 4WD principles
- Safari equipped Land Rover Defender vehicles
- Self drive guided tour on Queenstown's most scenic offroad tracks
- Challenging obstacles and terrain features to navigate on Queenstown Hill
- Available as a half day trip or combine with other activities for a full day excursion

Inspiring, efficient and great utilisation of time and money in motivation and reward activities. Small to moderate sized groups catered to, operating in close proximity to Queenstown whilst delivering a real backcountry feel. Extremely cost effective activity.

"...the delegates raved about it so much they had to remind them that they were there for a conference as well!! Well done, once again you guys have pulled off a fantastic day of activities!!"
