

SKIPPER'S CANYON

The Legendary Road to Skippers - an exploration into the heart of the Wakatipu's history and heritage

There is no better location to bring your clients to give them a true back-country experience. Immersed in New Zealand's pioneer gold mining history, Skippers Canyon has endless possibilities as a Conference & Incentive destination. From tranquil back-country locations for a picnic lunch or linking in with other activities operating in the area. Let us design a bespoke day of unforgettable memories tailored to the specific requirements of your clients.

Some of the ways to give your clients a unique day out in Skippers Canyon include:

LUNCH IN THE BACK-COUNTRY

The Skippers Schoolhouse is now a museum and a beautiful area to set up a marquee for lunch. Your clients will get a feel for the history of the area as well as taking in the tranquillity of the canyon.

4WD IN HELICOPTER OUT

By Land Rover, travel the Skippers Road as it follows sheer cliffsides and rock formations along the side of the canyon, then meets the valley floor below. Take off in awaiting helicopters and see the canyon from high above, a breath taking and different perspective of this stunning landscape.

SHOTOVER RIVER

4WD In, Raft Out. Our 4WD vehicles will rendezvous with the rafting boats along the Shotover River, giving your clients the chance to ride the thrilling rapids out of the canyon. What an exhilarating way to see the unique Shotover Gorge.

GOLDFEVER!

With our gold pans and expert advice, we will give your clients the chance to try their luck on the Shotover River. Have a go at striking it rich amongst the remnants of the Otago Gold Fields

Our fully equipped 4WD vehicles venture down the Skippers Road, hacked by hand and clinging to the sheer cliff side high above the Shotover River. Enjoy the amazing scenery from high above the gorge or down on the shores of the Shotover River; known as the richest river in the world in the days of the goldminers.
