

**JET BOATING &
4 WHEEL DRIVE
ADVENTURE**

ESSENTIAL QUEENSTOWN

Nomad Safaris and Shotover Jet have combined to create the Essential Queenstown experience.

An action filled 3-hour tour linking two of Queenstown's premier activities.

The trip features the full Shotover Jet experience - Taking a unique breathtaking ride through dramatic and narrow canyons, and hold on tight for Queenstown's only exhilarating full 360° spins, followed by a custom 2-hour 4WD off road tour.

With Nomad Safaris you will discover the abandoned gold mining area of the Arrow River and film locations used in 'Lord of the Rings'. Travel the rugged road and experience true off roading as you explore the pioneer trails guided by "The Professional Adventurers."

**"A fantastic combo -
I got two great experiences
all in one afternoon!"**

Sarah M, Ipswich, UK
